

SUBJECT: Portal Shutdown – First Notice 11/19/2024

Employer,

We will be performing a final data upload from our current pension administration system to the new PTG system in December, while this is taking place, the PTG Employer Reporting Portal will be **SHUT DOWN from 12/17/2024 to 01/13/2025**, disabling employers' submission of contributions. Interest or penalties will not be charged during this time. We will send a second notice as 12/17/24 approaches. Once the data upload is complete and the employer reporting portal reopens, a final notice will be sent out.

If there are any questions, please let us know. We appreciate each of your efforts and flexibility as we work through migrating to the new system.

Regards,
