

Subject: Portal OPEN – 01/13/2025

Employer,

This is a reminder that the Employer Reporting Portal is now **OPEN**. Please submit your contributions as you normally would. Interest or penalties will not be charged.

**NOTE: If you have contribution corrections to report that are OVER one year old, please hold off on these corrections at this time. We will let you know when these will be able to be accepted through the portal.**

If there are any questions, please let us know. We appreciate each of your efforts and flexibility as we work through migrating to the new system.

Regards,

FRS PTG Implementation Team
